CREATIVE DIRECTION & SPECIAL EFFECTS

Paisley Tie Enhancement:

The monochrome profile photo is elegant. Enhance the paisley tie pattern with the website's theme blue (#89AACC) to create visual cohesion.

Execution:

Option 1: Subtle blue tint (#89AACC at 15-25% opacity) on paisley region

Option 2: CSS filter effect (color-dodge or screen blend mode)

Option 3: Subtle animation on paisley (micro-opacity pulse or movement)

Option 4: Paisley-inspired organic curves in background patterns

Dual Roles Visualization (ITWorks + LHC):

Challenge: Show two concurrent roles that are interconnected but distinct. KEY: LHC is ITWorks' primary client.

Creative Solutions (Rank by Recommendation):

★ RECOMMENDED: Split Card Design - Top half ITWorks (Co-Founder), Bottom half LHC (Growth Consultant), visual divider showing connection

★ RECOMMENDED: Timeline Visualization - Horizontal timeline showing both roles with overlap, connection arrow

Alternative: Interactive Toggle - Buttons to switch between 'ITWorks Operations' and 'LHC Engagement'

Alternative: Node-Based Connection - Two boxes with bidirectional animated flow

Key Messages to Communicate:

Both roles run simultaneously (same 2025-present timeline)

LHC is the primary engagement/client of ITWorks

Skills are applied (consulting expertise → client results)

Career progression (founder managing live client engagement)
